Dr Bernhard Mittermaier has been working since 2004 at the [library](#) of [Forschungszentrum Jülich](#) (Germany), since 2008 in the role of the head of the library. Prior to that, he was a member of scientific staff at Forschungszentrum Jülich ([ICG 2 / IEK-8](#)). His education includes a diploma in chemistry, a PhD in analytical chemistry at the [University of Ulm](#) with subsidiary subjects toxicology, computer science and patent law, and a M.A. (LIS) in library and information science at the [Humboldt University Berlin](#). Research stays were at the [Sемmelweis University](#) Budapest, Hungary, the [National Institute of Standards and Technology](#), Gaithersburg MD, USA, the German research ice breaker "[Polarstern](#)", and on a fact-finding secondment to the [Federal Ministry of Education and Research](#), Bonn, Germany.

Bernhard Mittermaier served in the steering committee of the [German Priority Initiative "Digital Information"](#), the executive committee of [COUNTER and](#) the project group of the National Open Access Contact Point [OA2020-DE](#). He is now a member of the German, Austrian and Swiss Consortia Organisation ([GASCO](#)) and of Verein Deutscher Bibliothekarinnen und Bibliothekare [VDB](#) (German librarians' association). He is a member of the [DEAL](#) project group and negotiation team. His main interests are Open Access including the development of the [German Open Access Monitor](#), licence negotiations, and bibliometrics.
